

Dear MASFAA Colleagues,

We are happy to write that due to the success of our fall Carnival of Learning we will, for the first time, hold a spring Carnival at the South Lawrence East Middle School on May 5<sup>th</sup>. We are very excited to have been invited to a second school this year and look forward to providing this fun, educational program. However, we need your help!

You may remember from the fall that we provide each student attending a book bag filled with school supplies and each student receives a college t-shirt. We have been able to do this through the generosity of MASFAA members and we hope you will be able to make it possible once again. We are looking for pens, pencils, pads of paper, rulers, post-it notes and the like, as well as t-shirts (size large) with a college name and/or logo. If you are able to help, please send your donation by 4/15/2010 to:

Jill D'Amico  
20 Webster St. #312  
Brookline, MA 02446

We are also looking for volunteers to help us on Carnival day at the school. The program is planned for the afternoon of May 5<sup>th</sup>. If you are interested in participating in this rewarding program please contact one of our committee co-chairs:

We appreciate the generosity MASFAA members have shown in the past and hope you will continue to assist us so the next Carnival is the best one yet.

Best,
