Committee Spotlight:

Government Relations Committee Committee

MASFAA's Government Relations Committee is currently recruiting to ensure the committee is representative of it's members. We are currently heavy on the private four year college representation and light on other institutional types. While we would welcome additional members from any school type we are particularly seeking those from:

- Two year colleges
- Four year public
- Community Colleges
- For-profit colleges

Our existing members are awesome to work with and while this is a working committee the lift isn't huge. We are also planning on creating a few subcommittees so members can focus on the issues most important to them.

To volunteer on a MASFAA committee, fill out the [MASFAA Volunteer Form](#).
