Helping Families with the FAFSA Training

Presented by MEFA

April 17, 2024, 3:00 pm – 4:00 pm

This training is for those helping families and students with filing, fixing, or updating their FAFSA. Many families have already submitted their FAFSA but have experienced issues or technical bugs. Families all over the Commonwealth need help in the weeks ahead at FAFSA filing events and in individual meetings and calls. This meeting will start off with a brief presentation on the latest guidance for correcting and updating the FAFSA followed by Q&A and discussion about how we can help students in Massachusetts get over the finish line filing their FAFSA ahead of college deadlines.
